IMA-EURO Synchronization Workshop

Household Goods Shipments, the Commercial Travel Office (CTO), and the Vehicle Processing Center (VPC)

➤ What the Region Will Do For You

IMA-EURO Transportation FOA

- Coordinates and manages capacity with commercial industry
- Coordinates IACS for contractors
- Provides 24-hour and on-site garrison services as needed

IMA-EURO Logistics Division

- Coordinates extended services with CTO and VPC service providers
- Works closely with U'R G1 on order disbursement commitments

➤ What We Need the Garrison to Do

- Conduct early planning sessions with affected units
- Ascertains customer demographics (tour status, POV, pets, etc.)
- Expedites service requests to transportation FOA

Nontactical Vehicles (NTV)

➤ What the Region Will Do For You

- **Ascertains fleet numbers and works with losing garrison on excess vehicle disposition**
- **Coordinates D-account funds transfer with EURO RM**

➤ What We Need the Garrison to Do

- **Coordinate NTV transfers and/or turn-ins with unit transportation coordinators - begin today**
- **Coordinate transfers with gaining garrison and IFMS - NLT 60 days before E-date**
- **Conduct NTV inspections for prospective turn-in customers; coordinate unit reimbursement for damaged NTVs - NLT 45 days before E-date**
- **Ensure units retrieve OF 348s from the Local Driver's Training and Testing Station (if applicable)**

Excess Privately-Owned Vehicles (POV)

➤ What We Need the Garrison to Emphasize and Consider

- **No out processing clearance is granted for improperly cleared POVs; OPM-RMV assistance required**
- **Ascertain the capabilities of the MWR donation program - storage and recovery capabilities**
- **Provide and promulgate options to the community, e.g.:**
 - **Sell or give the POV to another (LN or SOFA-covered individual)**
 - **Ship a second US-spec POV at personal expense**
 - **Donate POV to MWR program (disposal or resale program; varies)**
 - **Dispose of vehicle at local junk yard**
 - **Stand-up a centralized garrison holding lot for bulk disposal through DRMS; take heed to environmental concerns**

USAG Dining Facility Closure

➤ What the Region Will Do For You

- **Provide disposition instructions for excess DFAC equipment**

➤ What We Need the Garrison to Do

- **Draw down inventory as headcount drops and close DFAC when SIK headcount drops too low**
- **Close TISA account and reconcile; balance/turn-in cash; laterally transfer remaining food to other DFACs; request equipment disposition instructions**

Central Issue Facilities (CIF)

➤ What the Region Will Do For You

- **Coordinate with USAREUR for any relocating units desiring to take OCIE to new installation**

➤ What We Need the Garrison to Do

- **Ensure Soldiers clear individual clothing records**
- **ID unserviceable OCIE and coordinate with 200th TSB on disposition instructions for unserviceable and excess OCIE**

Retail Class III Fuel Points

➤ What the Region Will Do For You

- **Serve as the interface between the garrisons and Defense Energy Support Center (DESC)**

➤ What We Need the Garrison to Do

- **Garrison conduct joint inventory with DESC**
- **Return all computers, accounting equipment, and records to DESC**
- **Use coupons and credit cards after fuel facility closes**

Property Books/Excess Property

➤ What the Region Will Do For You

- **Review and approve requests for lateral transfer of excess installation property**

➤ What We Need the Garrison to Do

- **Report abandoned MTOE property to IMA-EURO Logistics Div for coordination of disposition through 200th MMC**
- **Screen redistributable excess installation property through IMA-EURO Excess Redistribution application**
- **Coordinate with IMA-EURO activities and/or DRMS to dispose of property through transfer or sale-in-place**
